## Please Register & Submit Questions in Advance

Please register and submit your question(s) to Robert Rosa at [rfxrosa@gmail.com](mailto:rfxrosa@gmail.com)

All questions will be asked by a moderator. No questions will be taken from the floor. We want all candidates to have an opportunity to answer the questions submitted by residents. If time doesn't permit this, every candidate will receive an email with the list of questions at the conclusion of our event. This will give any candidate unable to attend the Meet & Greet an opportunity for their views to be known. Responses will be posted on our websites (see above)

**If you are attending, we ask that you bring a folding chair as seats will be limited.**
